CAREER OBJECTIVE

To use my technical knowledge in the area of web development to create websites and applications that provide the company with the highest level of functionality and user experience while ensuring compliance with all relevant rules and laws. I'm determined to advance in my job and pick up new skills in order to keep up with the latest developments in technology and fashion and to help the company succeed.

EDUCATION

Charotar University of Science and Technology, 2023 – 2025
8.85 CGPA Master of Computer Application (Pursuing) 📍 Anand, India

Charotar University of Science and Technology, 2020 – 2023
9.52 CGPA Bachelor of Computer Applications 📍 Anand, India

PROJECTS

QuickShop

Product Selling WebApplication

I developed a fully functional e-commerce website using PHP, MySQL, HTML, CSS, BOOTSTRAP and JavaScript. The website included features such as user authentication, product catalog, shopping cart functionality, and secure payment processing.

Bhagvat Pipe (Live Project)

Company Portfolio Web Application

I led the development of a comprehensive company portfolio website, utilizing HTML, CSS, JavaScript, and PHP to showcase the company's services, projects, and team.

Oasis Financial Advisor

Company Portfolio Web Application

I spearheaded the development of a company portfolio web application project on WordPress, showcasing the company's services, projects, and team.

PROFESSIONAL EXPERIENCE

Web Development (Intern)

03/2024 – 04/2024

Tech-A-Intern

"Web development intern with hands-on experience in front-end and back-end technologies. Contributed to the development and deployment of web applications, gaining valuable skills in HTML, CSS, JavaScript, and database management."
